Opening Remarks from President

Good to put names to faces; small organization, less than 50 members

Hope to better outline the CWG process, outline selection, what we want to do and prepare for Canadian Championships.

1. Financial Update

Motion from president to table formal financials later in the year  
Difficulty with changing signing authority and day-to-day banking with former financial institution. In process of switching to new institution, full statement to follow.  
Second by Madelyn St. Croix  
Carried.

When change in executive – between \$1100 - \$1200  
Provincial coaches must be at competition development level. Courses are costly; not run in NL.  
Spent \$700 to send Chris Langdon to Ottawa-Gatineau (hotel, car rental, airfare), course cancelled 2 days prior. 6 months to get course fees back.  
Fall training camp; administrative cost of \$100  
Atlantic Cup – flights, hotels, rentals – cancelled due to lack of snow in NS, cost of \$900  
Winter trg camp in CB - \$500  
Coaching course completed out of PEI \$600

2. Update from High Performance

Read by president  
Gary Dawson – motion  
Madelyn St.Croix – second  
Carried

3. CWG update

Read by president

Question – could one of the training camps be held on the west coast?

No plan for on snow training camp – two competitions off island. Can certainly do one of the training camps on the west coast.

Question – a call for the fall training camp?

Hoping to get something out in the next 30. Would anticipate late Sept / early Oct

Question – female coach out of province – was there any exploration for a coach in province?

Rebecca Hollohan has been approached but did not express interest in completing required training.

Question – what would it take to get an Atlantic Cup in Corner Brook?

There is a set criteria to host a competition; facility is not at the minimal requirements. Need 20 functional firing points. With that, could do an Atlantic Cup paired with a Cadet Provincials.

Motion – Madelyn St. Croix

Second – Chris Langdon

Carried

4. Presidents Report

Read by president

Blow me Down aiming to run Biathlon Bears program in conjunction with Jackrabbit ski program – lots of interest to get the program up and running.

Reminder from Adam Gale that there is a set curriculum and one coach must be gold qualified

Reminder from Gary Dawson to keep communication open with Biathlon NL and all biathlon activities are covered by BNL insurance and run as BNL programs – direct questions to BNL rather than direct to Biathlon Canada

5. Election of Officers

Nominations for position of president: Gary Dawson – nominated by Barry Power. Acclaimed

Nominations for position of VP Admin/Mem: Cecilia Thistle – nominated by Madelyn St. Croix, seconded by Jeanine Hann.

Barry Power – nominated by Chris Langdon, seconded by Adam Gale.
